AGENCY PLAN**

Executive Summary

Challenge Statement

The BCHA's service area encompasses the jurisdiction of Boone County. It provides tenant-based Section 8 assistance to low income residents throughout the County. Based on the data and conclusions contained in the current Consolidated Plan of the State of Illinois, the key housing-related challenges faced by lower income families are:

- ☐ Limited supply and locations of quality affordable housing for Extremely Low- and Very Low-Income families;
- ☐ Limited availability of affordable homeownership opportunities for Low-Income families.

Lower income families, especially those who are current and potential recipients of BCHA program benefits, were determined to have non-housing challenges that impact their ability to obtain suitable quality housing. Among those challenges and obstacles are:

- ☐ High unemployment due to a lack of job skills and job preparedness;
- ☐ Lower levels of educational attainment;

Mission, Goals, Strategies

"The Boone County Housing Authority endeavors to provide low income, affordable housing opportunities and related Community Development for residents of our community and those who wish to reside in our community.

The BCHA strives for no less than excellence in all that it does and it has a commitment to try harder, persevere longer, and not settle for "good enough".

Into each work assignment, quality; into each transaction, integrity; into each client, satisfaction; into each employee, dignity; into each response, truthfulness; into each accomplishment, gratitude."

Affordable Housing

Consistent with HUD's Strategic Goal of *Increasing the availability of decent, safe and affordable housing in American Communities*, the BCHA will engage in activities leading to the development of additional units of affordable housing. This housing will consist primarily of units for affordable ownership. The BCHA will accomplish its related goals through the creation of public/private partnerships to facilitate affordable housing development and preservation. It will identify and pursue non-traditional sources of funding for these housing activities.

Key activities to be undertaken in the first year of this plan include the formation of partnerships and identification of funding sources and affordable home ownership options.

Equal Housing Opportunity

With respect to HUD's strategic goal of *Ensuring equal opportunity in housing for all Americans*, the BCHA will seek to expand housing options for Section 8 program participants outside of areas of low-income concentrations.

The BCHA will accomplish several of its related goals through the use of education and public information as the primary strategy. By creating a better-informed group of Section 8 participants and potential housing providers, resistance and obstacles to dispersed affordable housing can be reduced.

First year activities will focus on enhancing the Section 8 participant orientations and identifying targets for landlord outreach.

Self Sufficiency

The BCHA will address HUD's strategic goal of *Promoting self-sufficiency and asset development* of families and individuals by creating an environment where residents

who want to achieve self-sufficiency will have every opportunity to do so. By referring program participants to the existing array of services, the BCHA will encourage participants to take advantage of employment, training, and educational opportunities. Greater resident responsibility for work will be accomplished through implementation of policies and procedures that encourage work and reward success. Homeownership will be a vehicle through which asset development will be accomplished.

First year activities will focus on the implementation of policies that encourage work. Policies to be implemented include admissions preferences for families that are working.

Quality of Life

Consistent with HUD's strategic goal of *Improving quality of life and economic viability*, the BCHA will begin the process of transforming itself into an organization that can impact the physical and social characteristics of the community. It will also undertake initiatives that will result in operational improvements and enhanced customer service. The BCHA plans to accomplish the above goals through staff development, organizational expansion and acquisition of additional financial resources.

Use this section to provide any additional information requested by HUD.

1. Deviations From and Modifications To The Agency Plan

The Agency Plan is a living document that shall serve to guide BCHA operations and resource management. In the event that circumstances of priorities necessitate actions that would represent a substantial departure from the goals, objectives, timetables or policies as set forth in the plan, the BCHA will invite resident review and input prior to taking actions that would implement such substantial changes.

Development of subsequent Annual Plans shall be the vehicle through which updates and minor or routine modifications to the Agency Plan are made. On an annual basis the BCHA will review its progress toward the achievement of its goals and objectives as set forth in the Agency Plan. It will also evaluate whether the remaining goals and objectives, and the existing policies and procedures, adequately address the needs of its constituents, stakeholders and the agency. To the extent that those needs are not met by the elements of the existing Agency Plan, the subsequent Annual Plan shall be written to reflect changes to goals, objectives, policies and procedures to address those needs.

In the event that the elements of the subsequent annual plan represent a significant departure from those of the existing Agency Plan, a Significant Amendment or Modification to the Agency Plan will be undertaken. Under these circumstances, a participatory planning process will be used to obtain resident input. A draft of the substantially modified Agency Plan will be subject to the public review, comment, and hearing process.

The BCHA will honor the current HUD definitions of Substantial Deviation and Significant Amendment.

1. Change to rent or admissions policies or organization of the waiting list;

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by the BCHA
